

STUDENTS' MEETINGS.

The usual students meetings will be held at the Victoria A.B.C., but it has been decided that instead of being always held on a Saturday, Wednesday shall sometimes be substituted, as country members can often come up on excursions on that day.

May 30th. Saturday, at 3-30.

June 17th. Wednesday, at 5-30.

July 5th. Saturday, at 3-30.

July 29th. Wednesday, at 5-30.

Students are earnestly requested to do their best to attend these meetings, and to wear their badges, that they may be easily recognized by those with whom they are not already personally acquainted.

It has been decided to elect a permanent Conference Committee, in whose hands will lie the arrangements for future Conferences. Miss Mason has most kindly consented to allow us to meet at Ambleside every other Easter if sufficient names are sent in to the committee to justify this. It has been also decided to hold a meeting of students in London every year just before Christmas to elect the committee, decide conference matters, and discuss points of general interest and importance. The place and date for the meeting this year will be announced later.

The Conference Committee is to consist of eight members: three ex-officio, namely, the Secretary, the Editor, and the Senior Monitress then at Scale How. The other five are to be elected by vote. Will, therefore, every member of the Association kindly record her vote by writing the name of the member she would suggest on a post card and forwarding it to the Editor, before *July 1st*, when the poll will be closed. The five names obtaining the greatest number of votes will be published in the next number. This committee is to be selected yearly at the Annual Winter Meeting.
